DAY 29 – GLOBAL VISION, LOCAL IMPACT

📖 Scripture

Acts 1:8

“You shall be witnesses… in Jerusalem, Judea, Samaria, and to the ends of the earth.”

🌱 Meditation

Jesus gave His disciples a vision that extended beyond their immediate surroundings. Yet, the mission began right where they were. They were to reach Jerusalem, then Judea, Samaria, and ultimately the ends of the earth.

World evangelism does not always begin with travelling across borders. It begins with being faithful where God has placed us. Our homes, workplaces, communities, cities, and nations are the starting points of our witness.

Every person we reach locally contributes to the greater mission of spreading the Gospel globally. Every conversation, every act of love, and every life touched by Christ can become part of a much bigger impact.

Start where you are. Global impact begins with local obedience.

💭 Reflection

Am I faithfully reaching the people God has placed around me?

- Am I intentional about sharing Christ in my home and community?
- What opportunities do I have to be a witness in my city or nation?
- Am I willing to go beyond my comfort zone to reach others?

🙏 Confession

I am a world changer. I am a witness for Christ wherever I go. I begin where God has placed me, reaching my home, community, city, and nation. My light shines from local to global. I am not limited by my surroundings, and I am committed to carrying the Gospel wherever God leads me. Through me, many will come to know Christ. In Jesus' name. Amen.
