

DAY 2 – AUTHORITY RESTORED IN CHRIST

Scripture

Matthew 28:18

"All authority has been given to Me in heaven and on earth."

Meditation

Jesus reclaimed the authority Adam lost and transferred it to us through His name. In Christ, we have delegated authority to stand firm, speak God's Word with confidence, resist the works of darkness, and walk boldly in the purpose God has given us.

This authority is not independent power—it is authority exercised under Christ's name and according to His will. As we trust Him and remain submitted to Him, we can confidently use the authority He has entrusted to us.

Reflection

You have delegated authority — use it with confidence.

Where do you need to exercise the authority Christ has given you instead of allowing fear, doubt, or circumstances to control you?

Confession

All authority in heaven and earth operates in me through Christ Jesus. I walk in His authority with confidence, wisdom, and boldness. I submit to His will and use His name to fulfill His purpose.
