

DAY 10 – THE GIFTS OF HELPS AND MINISTRY

Scripture

Romans 12:7

"If it is serving, let us serve."

Meditation

The ministry of helps is vital in the Kingdom of God. Supporting others, meeting needs, and making it possible for others to fulfill their assignments are noble acts of service in God's sight. Not everyone serves from the front, but every role matters. Whether your service is visible or behind the scenes, your contribution strengthens the Body of Christ and advances God's mission. Never underestimate the value of a willing heart that faithfully helps others.

Reflection

Every role matters in God's house.

Where can you offer practical help or support today to strengthen someone else and advance God's work?

Confession

I am a helper in God's Kingdom. My support advances His mission. I serve faithfully with a willing heart, knowing that every act of service matters to God and contributes to His purpose.
