DAY 26 – THE CHURCH: A SOUL-WINNING ARMY

📖 Scripture

Acts 5:42

“They did not cease teaching and preaching Jesus as the Christ.”

🌱 Meditation

The early Church understood that evangelism was not an occasional activity or a special event. It was their daily lifestyle. They consistently taught, preached, and shared Jesus Christ wherever they went.

The Church is called to be more than a gathering of believers. It is a soul-winning army, equipped to carry the Gospel, bring hope to the lost, and spread the light of Christ throughout the world.

Every believer has a part to play in this mission. Evangelism should not be limited to church programmes; it must become part of our everyday lives.

The Church must regain its evangelistic fire. We are called to bring light to the world.

💭 Reflection

Am I actively participating in the Church's mission of winning souls?

- Is sharing Jesus part of my daily lifestyle?
- How can I contribute to restoring the Church's passion for evangelism?

🙏 Confession

I am part of a soul-winning Church. I am committed to sharing the Gospel and making Jesus known. The fire of evangelism burns in my heart and in the Church. We do not cease teaching and preaching Jesus Christ. Together, we bring light to the world, reach the lost, and advance God's Kingdom. In Jesus' name. Amen.
