DAY 27 – DISCIPLESHIP THROUGH SERVICE

📖 Scripture

John 13:15
“I have given you an example, that you should do as I have done to you.”

🌱 Meditation

Serving others is a key part of discipleship. Jesus did not only teach through words; He demonstrated His teachings through actions. His life was an example of humility, love, and service.

True spiritual growth happens when we humble ourselves and put others before us. Discipleship is not only about teaching people what to do, but also showing them through the way we live. When we serve others with humility and love, we reflect the heart of Christ and inspire others to follow His example.

💭 Reflection

Teaching by serving transforms hearts. Our actions often communicate the love of Christ more powerfully than our words.

- How am I demonstrating Christ's humility through my service to others?
- Am I willing to serve even when there is no recognition or reward?
- What can others learn about Jesus through the way I serve?

🙏 Confession

I disciple through service. I lead others with humility, love, and compassion. I follow the example of Jesus by serving others faithfully and selflessly. My life reflects the heart of Christ, and through my actions, I inspire others to walk in His ways. I choose humility over pride and service over selfishness. In Jesus' name. Amen.
