

DAY 16 – RENEWING THE MIND

Scripture

Romans 12:2

"Be transformed by the renewing of your mind."

Meditation

The mind is a battlefield. What you continually think about shapes your attitudes, choices, and actions. Renewing your mind with Scripture brings your thoughts into alignment with God's truth and allows the Holy Spirit to transform you from within. As your thinking changes, your life begins to reflect Christ more clearly.

Reflection

Your transformation begins in your thoughts.

What thought pattern do you need to replace with the truth of God's Word today?

Confession

My mind is renewed by God's Word. I think and act like Christ.
