DAY 23 – THE JOY OF SALVATION

■ Scripture

Isaiah 12:3
“With joy you will draw water from the wells of salvation.”

■ Meditation

Salvation is a well of joy that never runs dry. As we share Jesus with others, our own hearts are refreshed and renewed.

Evangelism is not only about reaching others; it also deepens our gratitude for what Christ has done. When we pour out the good news, God fills us afresh with the joy of His salvation.

Share the joy of salvation, and let your own heart be refreshed.

■ Reflection

Am I sharing the joy of salvation with others?

• Who can I encourage with the good news of Jesus?
• Does my heart still rejoice in the salvation I have received?

■ Confession

I delight in the joy of salvation. My heart is refreshed as I share Jesus with others. I am filled with love and compassion for souls, and my heart burns to see many come to Christ. Amen.
