

DAY 27 – GUARDING YOUR TERRITORY

Scripture

Proverbs 4:23

"Keep your heart with all diligence."

Meditation

Your heart is the throne of dominion. What you allow into your heart can influence your thoughts, words, choices, and spiritual atmosphere. Protect your heart from offense, fear, bitterness, and compromise. Guard what you watch, listen to, entertain, and meditate on, and allow God's Word to remain at the center of your heart. When your heart is guarded, you can maintain your dominion in peace and walk in the authority God has given you.

Reflection

What you tolerate, you authorize.

What have you been allowing into your heart or environment that you need to remove so you can protect your peace and remain aligned with God's Word?

Confession

I guard my heart and atmosphere. I protect my mind, emotions, and spirit from offense, fear, and compromise. I maintain my dominion in peace, and I walk in alignment with God's Word.
