

DAY 29 – DOMINION IN SERVICE

Scripture

John 13:14–15

"If I, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet."

Meditation

True dominion is expressed through servanthood. Jesus demonstrated that spiritual authority is not about controlling or elevating ourselves above others; it is about humility, love, and willingness to serve. When we use the influence and authority God has given us to lift others, meet their needs, and reflect Christ's character, our leadership brings glory to Him.

Reflection

Power that doesn't serve is pride.

How can you use your influence, position, gifts, or authority to serve someone and reflect Christ's love today?

Confession

I lead by serving. I walk in humility and love. My dominion glorifies Christ, not myself. I use every influence God gives me to lift others and advance His purpose.
