

DAY 6 – SERVING WITH EXCELLENCE

Scripture

Daniel 6:3

"Then this Daniel distinguished himself... because an excellent spirit was in him."

Meditation

Excellence honors God and inspires others. When we serve with excellence, we demonstrate that what God has entrusted to us matters. Excellence is not about perfection or trying to impress people; it is about giving our best with the right heart and representing God well in everything we do. Serve in a way that reflects Heaven's quality and brings glory to His name.

Reflection

Mediocrity dishonors your calling.

Are you giving your best to the work, responsibility, or assignment God has placed in your hands?

Confession

I serve with excellence. My work reflects the glory of God. I give my best in every assignment, and my service represents Him well.
