

DAY 7 – DOMINION BY REVELATION

Scripture

Ephesians 1:17-18

"That the eyes of your understanding being enlightened..."

Meditation

Authority operates by revelation. You can't exercise what you don't understand. As the eyes of our understanding are enlightened, we begin to see who we are in Christ and recognize the authority He has given us.

Revelation changes the way we see ourselves, God, and our circumstances. The more we understand our identity in Christ, the more confidently we can walk in the authority He has entrusted to us.

Reflection

Pray daily for revelation of your identity in Christ.

What do you need God to reveal to you about who you are in Christ and the authority He has given you?

Confession

My eyes are open to who I am in Christ. I walk in revelation and authority.
