DAY 9 – THE POWER OF TESTIMONY

📖 **Scripture**

Revelation 12:11

"They overcame him by the blood of the Lamb and by the word of their testimony."

🌱 **Meditation**

Your story is a tool of evangelism. Your testimony shows what Jesus can do in anyone's life. It is a personal account of God's grace, love, and transforming power.

When you share how Christ has changed your life, you give others an opportunity to see that the Gospel is real and that Jesus is still at work today. Your story may encourage someone who is struggling, give hope to someone who feels lost, or help another person become open to knowing Christ.

You do not need a dramatic story or perfect words to share your testimony. Be honest about where God has brought you from, what He has done in your life, and how He continues to lead you. Keep Jesus at the center, because the purpose of your testimony is not to draw attention to yourself, but to give glory to God.

Never underestimate the impact of your story. Someone may find hope through hearing what Jesus has done for you.

Share your testimony with confidence — it carries divine power.

💭 **Reflection**

Your testimony can give someone hope and point them to Jesus.

Have you taken time to reflect on what Jesus has done in your life? Who could be encouraged by hearing your story, and how can you share it with them?

🙏 **Confession**

My testimony brings glory to God and hope to the lost. I boldly share what Jesus has done in my life. My story points others to His grace, love, and transforming power. Through my testimony, hearts are encouraged and lives are drawn closer to Christ.

✍️ **Personal Notes**

What Jesus has done in my life:

Who I can encourage with my testimony:

One thing I will share about God's goodness:
