

DAY 10 – DOMINION OVER SICKNESS

Scripture

Matthew 10:1

"He gave them power over unclean spirits and to heal all kinds of sickness."

Meditation

Healing power is part of the authority Christ has given us. Jesus gave His disciples power and authority to confront sickness and minister healing in His name.

As believers, we can pray for the sick, lay hands on them, and trust God for recovery. Our confidence is not in ourselves, but in the healing power of God working through us.

Reflection

Don't beg for healing; command it.

Are there areas of sickness or weakness where you need to exercise your faith and trust God for healing today?

Confession

I walk in divine health. I carry healing virtue everywhere I go.
