

DAY 10 – THE TITHE BELONGS TO THE LORD

Scripture

Malachi 3:10

"Bring all the tithes into the storehouse."

Meditation

Tithing is an act of worship that acknowledges God as the Owner and Provider of all we have. It is not a payment to God but an expression of trust, gratitude, and partnership in His work. By giving faithfully, we remember that every blessing ultimately comes from Him.

Reflection

Faithful tithers never lack.

How can your giving today reflect your trust that God is your faithful Provider?

Confession

I am a faithful tither. The windows of heaven are open over me.
