

# DAY 13 – THE GIFT OF MERCY

## Scripture

**Romans 12:8**

*"He who shows mercy, with cheerfulness."*

---

## Meditation

Mercy is God's heart expressed through compassion. It means responding to others with kindness, patience, and understanding, even when they are struggling or have made mistakes. God calls us to serve with a tender spirit, remembering the mercy He has shown us.

Showing mercy does not mean ignoring wrongdoing; it means treating people with compassion rather than condemnation. When we choose mercy over harsh judgment, we create room for healing, restoration, and hope. Let your words and actions reflect the love and kindness of God, and let your service be marked by a cheerful and willing heart.

---

## Reflection

**Mercy heals where judgment hurts.**

Is there someone who needs your compassion, patience, forgiveness, or kindness today? How can you show them mercy with a cheerful heart?

---

## Confession

**I show mercy with joy. My kindness reflects God's love. I serve with a tender and compassionate spirit, extending to others the mercy God has shown me. My words bring encouragement, my actions bring comfort, and my heart reflects the love of Christ.**

---

## Personal Notes
