

DAY 13 – THE LAW OF SOWING AND REAPING

Scripture

Galatians 6:7

"Whatever a man sows, that he will also reap."

Meditation

Every seed carries the potential for a future harvest. The principle of sowing and reaping reminds us that our actions, generosity, and faithfulness produce lasting results. As we sow with faith and purpose, we can trust God to bring forth a harvest in His perfect time.

Reflection

Don't just wish for harvest — sow for it.

What seed of faith, generosity, or obedience can you sow today that will produce a lasting harvest?

Confession

I sow bountifully and reap abundantly. My harvest is overflowing.
