

DAY 14 – BE FILLED CONTINUALLY

Scripture

Ephesians 5:18

"Be filled with the Spirit."

Meditation

The Spirit-filled life is not a one-time event but a daily infilling through prayer, worship, and fellowship with God. Just as an empty vessel can be filled again and again, we are continually invited to yield ourselves to the Holy Spirit and allow His presence to refresh, strengthen, and transform us.

Reflection

Empty vessels are refillable — stay yielded.

What can you do today to create more room for prayer, worship, and the Holy Spirit's presence in your life?

Confession

I am continually filled with the Spirit. I overflow with His presence.
