DAY 15 – GO AND MAKE DISCIPLES

📖 Scripture

Matthew 28:19–20

"Make disciples of all nations."

🌱 Meditation

Evangelism wins souls; discipleship grows them. The goal of sharing the Gospel is not simply to bring people to Christ but to help them become committed followers of Jesus.

In Matthew 28:19–20, Jesus gives His disciples the Great Commission. He instructs them to go into all nations, make disciples, baptise them in the name of the Father, the Son, and the Holy Spirit, and teach them to observe everything He commanded. This shows us that our responsibility does not end when someone accepts Jesus. We are also called to help them grow in their faith and understanding of God's Word.

Sometimes, we focus so much on winning souls that we forget the importance of nurturing those who have come to Christ. A new believer needs guidance, encouragement, prayer, fellowship, and consistent teaching of Scripture. Just as a child needs care and guidance to grow, a new Christian needs spiritual support to mature in their relationship with God.

Discipleship is about helping others develop a personal relationship with Jesus, understand His teachings, live according to His Word, and become more like Him every day. It also means equipping them to share their faith and help others follow Christ.

You do not need to know everything to help someone grow spiritually. You can start by sharing Scripture, praying together, encouraging someone in their faith, and being an example of Christlike living.

Remember, true success in evangelism is not measured only by how many people respond to the Gospel but also by how many continue growing in Christ and become committed followers of Jesus.

Don't just lead people to Christ; walk with them as they grow in Christ.

💭 Reflection

Am I helping others grow in their relationship with Jesus?

Have you ever taken time to guide or encourage someone who recently accepted Christ? Is there someone in your life who needs spiritual encouragement, guidance, or support? What can you do today to help them grow in their faith?

🙏 Confession

I am committed to the Great Commission. I do not only win souls; I make disciples. I am equipped by God's Word and empowered by the Holy Spirit to guide, encourage, and nurture others in their walk with Christ. Through my words, actions, prayers, and example, I help others grow spiritually and become mature followers of Jesus. I raise others to follow Christ, and I faithfully participate in making disciples of all nations.
