

DAY 15 – THE POWER OF PLANNING

Scripture

Proverbs 21:5

"The plans of the diligent lead surely to plenty."

Meditation

Faith and planning work together. Trusting God does not replace wise preparation; it strengthens it. Good stewardship involves seeking God's wisdom, making thoughtful plans, and diligently carrying them out. As you commit your plans to the Lord, He directs your steps and brings lasting fruit from your efforts.

Reflection

Pray, plan, and execute with wisdom.

What goal or responsibility can you begin planning for today with prayer, diligence, and God's guidance?

Confession

I plan diligently under God's wisdom. My steps are ordered for success.
