

DAY 16 – AVOIDING DEBT TRAPS

Scripture

Proverbs 22:7

"The borrower is servant to the lender."

Meditation

Wise stewardship includes managing finances with discipline and integrity. Unnecessary debt can limit freedom and create unnecessary burdens. As you trust God for His provision and practice wise financial habits, you position yourself to live with greater peace, generosity, and freedom to fulfill His purposes.

Reflection

Avoid debt — it limits generosity and peace.

What practical step can you take today to manage your finances wisely and move toward greater financial freedom?

Confession

I walk in financial freedom. I owe no man anything but love.
