

DAY 17 – BRINGING THOUGHTS CAPTIVE

Scripture

2 Corinthians 10:5

"Bringing every thought into captivity to the obedience of Christ."

Meditation

The Holy Spirit empowers you to take control of your thought life. Not every thought deserves your attention or agreement. When you bring wrong thoughts under the authority of Christ and replace them with God's truth, you experience greater peace, clarity, and focus.

Reflection

Don't let your thoughts lead you — lead them.

What thought do you need to bring under Christ's authority and replace with the truth of God's Word today?

Confession

I bring every thought under Christ's authority. My mind obeys His truth.
