

# DAY 18 – DILIGENCE BRINGS INCREASE

## Scripture

**Proverbs 10:4**

*"The hand of the diligent makes rich."*

---

## Meditation

Diligence transforms ideas into results. God honors consistent effort, faithful work, and disciplined stewardship. Laziness hinders growth, but a diligent spirit creates opportunities for increase. As you faithfully apply yourself to the work God has given you, He blesses the labor of your hands and brings lasting fruit.

---

## Reflection

**Discipline your time and effort — that's stewardship in action.**

How can you be more intentional with your time, talents, and daily responsibilities to honor God today?

---

## Confession

**I am diligent and productive. God blesses the work of my hands.**
