

DAY 19 – WISDOM IN SAVING AND INVESTING

Scripture

Proverbs 21:20

"There is treasure to be desired and oil in the dwelling of the wise."

Meditation

Wise stewardship includes preparing for the future through careful saving and thoughtful investing. Rather than consuming everything we receive, we exercise foresight and manage God's resources with wisdom. As we seek His guidance, our financial decisions are shaped by faith, discernment, and long-term purpose instead of fear or impulse.

Reflection

Be Spirit-led, not fear-led, in financial decisions.

What practical step can you take today to manage your resources more wisely and prepare for the future?

Confession

I manage resources with wisdom. I prepare and prosper through godly insight.
