

DAY 22 – HUMILITY BY THE SPIRIT

Scripture

James 4:6

"God resists the proud but gives grace to the humble."

Meditation

Pride repels grace, but humility creates room to receive it. The Holy Spirit shapes humility in a yielded heart, teaching you to depend on God rather than relying solely on your own strength, wisdom, or abilities. A humble heart remains teachable, correctable, and open to God's direction.

Reflection

The humble never fall because they lean on God.

Where is God inviting you to surrender your pride and depend more fully on Him today?

Confession

I am humble and teachable. The Spirit of grace works freely in me.
