

DAY 22 – KINGDOM WEALTH MINDSET

Scripture

3 John 2

"I pray that you may prosper in all things and be in health, just as your soul prospers."

Meditation

God's desire is for you to prosper in every area of life, beginning with the condition of your soul. True prosperity starts with a renewed mind and a heart aligned with His will. When your purpose is rooted in God's Kingdom, wealth becomes a tool for serving others, advancing His work, and glorifying Him—not merely a pursuit of personal gain.

Reflection

Prosperity without purpose leads to emptiness.

How can you align your goals, resources, and ambitions with God's Kingdom purpose today?

Confession

My soul prospers in God. I prosper to fulfill His Kingdom purpose.
