

DAY 24 – PEACE IN THE SPIRIT

Scripture

Romans 8:6

"To be spiritually minded is life and peace."

Meditation

Peace is the atmosphere of a Spirit-led life. When your mind is focused on the things of the Spirit, God's peace can guard your emotions, thoughts, and decisions. The Holy Spirit helps you recognize when to move forward, when to wait, and when to trust God rather than being driven by fear or confusion.

Reflection

Follow peace — it's the Spirit's navigation system.

In what decision or situation do you need to slow down, listen to the Spirit, and follow His peace today?

Confession

I live in peace. The Spirit guides me through calm assurance.
