

DAY 26 – SERVING IN THE MARKETPLACE

Scripture

Matthew 5:16

"Let your light shine before men."

Meditation

Your workplace is your mission field. Whether you work in an office, run a business, attend school, or serve your community, you have opportunities to reflect Christ through your daily actions. Serving God is not limited to church activities; it extends into every area of your life.

Excellence, honesty, and integrity are powerful expressions of your faith. When you work diligently, treat people with respect, keep your promises, and do what is right even when no one is watching, you demonstrate the character of Christ. Your conduct can speak louder than your words and inspire others to see God's goodness.

You do not need a pulpit to make an impact. Your everyday responsibilities can become opportunities to serve others and glorify God. Let your light shine through the quality of your work, the kindness of your words, and the integrity of your decisions.

Reflection

Service extends beyond church walls.

How can you reflect Christ more clearly through your work, business, studies, or daily responsibilities? What practical step can you take today to demonstrate excellence and integrity?

Confession

I shine in my work. My service reflects Christ wherever I go. I work with excellence, walk in integrity, and treat others with love and respect. Through my words and actions, I glorify God and let His light shine through me.
