

DAY 26 – THE JOY OF GIVING

Scripture

2 Corinthians 9:8

"God is able to make all grace abound toward you."

Meditation

Giving is more than an act of generosity—it is a response to God's abundant grace. As you give with a joyful heart, you participate in His work and experience the joy that comes from trusting Him as your Provider. Every gift becomes an opportunity to reflect His love and to walk in the overflowing grace He has promised.

Reflection

Every seed is an opportunity to rejoice in trust.

How can you give today with joy, trusting God to supply all your needs according to His abundant grace?

Confession

I give joyfully and live abundantly. Grace abounds toward me in all things.
