

DAY 28 – STEWARDSHIP AND ACCOUNTABILITY

Scripture

Romans 14:12

"Each of us shall give account of himself to God."

Meditation

Every steward will one day give an account to God for how they managed what He entrusted to them. Our time, talents, finances, opportunities, and resources are not merely possessions—they are responsibilities. Wise stewardship means living with eternity in mind, managing everything with integrity, faithfulness, and purpose.

Reflection

Live with accountability — heaven is watching.

Are you managing what God has entrusted to you in a way that you would be proud to account for before Him?

Confession

I manage God's resources with integrity. I am accountable and faithful.
