

DAY 29 – ETERNAL INVESTMENTS

Scripture

Matthew 6:20

"Lay up for yourselves treasures in heaven."

Meditation

The greatest investments are those with eternal value. Every act of generosity, every moment of faithful service, and every sacrifice made for God's Kingdom is stored as treasure in heaven. While earthly wealth is temporary, the rewards of living for Christ endure forever. Choose each day to invest your life in what has lasting significance.

Reflection

Earthly wealth fades, but heavenly treasure lasts forever.

What can you do today that will have an eternal impact for God's Kingdom?

Confession

I store up treasures in heaven. My generosity echoes in eternity.
