

DAY 30 – CHRIST REVEALED IN ME

Scripture

2 Corinthians 3:18

"We are being transformed into the same image from glory to glory."

Meditation

The crucified life reveals Christ's glory through you. Transformation is His work; surrender is yours. As you yield to the Holy Spirit, He continually transforms your character, attitudes, and conduct to reflect the image of Christ. Your life becomes a living expression of His love, grace, and truth.

Reflection

You are the mirror of His character — keep it clean.

What area of your character or daily life can you surrender more fully to the Holy Spirit so that Christ may be seen more clearly through you?

Confession

Christ is revealed in me. I move from glory to glory by the Spirit.
