

DAY 30 – THE REWARD OF FAITHFUL STEWARDSHIP

Scripture

Matthew 25:23

"Well done, good and faithful servant."

Meditation

Faithful stewardship is about honoring God with everything He has entrusted to you—your time, talents, resources, and opportunities. Every act of obedience and faithfulness matters to Him. While earthly recognition is temporary, God's approval is eternal. Those who faithfully manage His trust are promised the joy of His presence and the reward of His Kingdom.

Reflection

Live for the eternal "Well done," not earthly applause.

What can you do today to faithfully steward what God has placed in your hands and bring Him honor?

Confession

I am a faithful steward. My reward is eternal joy in my Master's presence.
