

DAY 4 – THE SPIRIT GIVES LIFE

Scripture

2 Corinthians 3:6

"The Spirit gives life."

Meditation

Rules alone cannot produce true holiness—only the Holy Spirit can transform you from within. When you surrender to Him, you give Him room to shape your character, renew your heart, and produce spiritual fruit in your life. The Christian life is not merely about following external rules; it is about allowing God's Spirit to work within you.

Reflection

Let the Spirit make your inner life fruitful and alive.

Are you giving the Holy Spirit room to transform your thoughts, attitudes, desires, and daily actions?

Confession

The Spirit gives me life and strength to live in holiness and truth.
