

DAY 5 – FAITHFULNESS IN SERVICE

Scripture

1 Corinthians 4:2

"It is required in stewards that one be found faithful."

Meditation

God values faithfulness more than fame. In service, what matters is not how many people see you, but how faithfully you carry out what God has entrusted to you. Serve where you are, even when your work is unseen or unrecognized. Faithfulness in small things prepares you for greater responsibility. When you remain consistent and trustworthy, God can entrust more into your hands.

Reflection

Promotion comes through consistency, not visibility.

Are you willing to remain faithful in the place and responsibility God has given you, even when no one is watching?

Confession

I am faithful in service. God can trust me with greater responsibility. I remain consistent, dependable, and committed to what He has entrusted to me.

Personal Notes
