

DAY 24 – THE BLESSING OF THE LORD

Scripture

Proverbs 10:22

"The blessing of the Lord makes one rich, and He adds no sorrow with it."

Meditation

God's blessing brings true enrichment that goes beyond material wealth. His favor produces peace, joy, and lasting fulfillment without the burdens that often accompany worldly pursuits. When you seek God above all else, His blessing follows, providing everything you need to live a life that honors Him and blesses others.

Reflection

Pursue the Blessor, not the blessing.

How can you seek God's presence and His will today, trusting that His blessing will follow in every area of your life?

Confession

The blessing of the Lord enriches my life with peace and joy.
